## CHAIRMAN'S Welcome

We look forward to warmly welcoming you to the seaside town of Bournemouth on the south coast for the 2022 British BMX Championships, **26-28 August 2022** hosted in partnership with BCP Council.

We were pleased to be back on the National calendar after a break of nine years in 2019, and we're super-proud to be hosting the Brits this year.

We've got three days of fun, racing and entertainment planned, with ample camping and parking on site and less than 300m from the track. Holeshot prizes, a bar and band every night and more fun & games still to be confirmed! Campers are welcome to stay for an extra night, so make the most of the Sunday evening, too, because it's going to be BIG!

Why? Because this year is also our 40th anniversary and we're going to party like it's 1982!!! So bring your finest 80s dayglo and disco clobber and join our big birthday bash after racing is done and dusted on Sunday.

The track has been tweaked and completely resurfaced in advance of the British Championships, with some fast racing guaranteed. Spectator areas were extended for 2019 and there's plenty of room for spectators with regional areas for gazebos within 30m of the track.

We want to eliminate single use plastic wherever possible, so make sure you bring your own mug for hot drinks and look out for the fabulous reusable cups designed for the 2019 event for use at the bar – you pay a small deposit for the cup with your first drink, which you can get back when you return the cup or take it home with you as a memento.

We will also have a water refill station for riders and spectators to top up on fluids, and recycling stations around the site – please recycle and please leave only footprints (and tyre tracks!).

Be sure to check out the coast with the most and our 7-mile-long beach while you're in town, or one of the nearby attractions. It's the air festival the week after the Brits, so why not Look out for promotions – we will add these to the event guide as we get closer to the event.

Please follow requests and instructions from our volunteers so that we can keep you safe and make sure you get the very best out of your weekend.
